

Adult Mental Health Practice Support Program

The Primary Health Care and Chronic Disease Management Network is hosting the next offerings of the Adult Mental Health Practice Support Program in the Fall of 2024 and Winter 2025.

This PSP is designed to increase skill and confidence among primary care providers and teams for the care of patients with mild to moderate mental health concerns. This program has been certified by the College of Family Physicians of Canada for up to 37.5 Mainpro+ credits.

Fall 2024 Dates: Pre-module Meeting September 11th from 1:00 – 2:30pm. Learning Sessions September 18th, October 10th, December 11th and January 29th. All sessions will run from 1:30 – 4:30pm.

Winter 2025 Dates: TBD

Offered Virtually via Zoom

Peer to Peer Learning with Coaching Included
